

## CLASSIC ADRENALIN FS 10W-50 RACING

Fully synthetic 4-stroke engine oil SAE 10W-50 ideal for use on racing motorbikes

### Description

**CLASSIC ADRENALIN FS 10W-50 RACING** is a fully synthetic four-stroke engine oil based on esters, the advanced selected additives ensure full compatibility of the friction materials of modern clutches. **CLASSIC ADRENALIN FS 10W-50 RACING** has been specially developed for off-road motorbikes and guarantees longer engine life even under severe racing conditions.

### Application

**CLASSIC ADRENALIN FS 10W-50 RACING** was developed to withstand the lubrication of highly loaded four-stroke motorbikes. Due to its high viscosity index, **CLASSIC ADRENALIN FS 10W-50 RACING** is perfectly suited for motorbikes in racing. The development with major motorbike manufacturers and the practical tests have confirmed the good quality.

### Properties

- high protection against sealing, corrosion and foaming
- optimal friction properties
- high and stable viscosity index
- very effective detergent and dispersant properties
- compatible with the friction materials of the most modern clutches

### Product data

| Properties      | Unit               | 10W-50* |
|-----------------|--------------------|---------|
| Colour          |                    | Red     |
| Density 15 °C   | g/cm <sup>3</sup>  | 0,853   |
| Viscosity 40°C  | mm <sup>2</sup> /s | 123,0   |
| Viscosity 100°C | mm <sup>2</sup> /s | 18,0    |
| Viscosityindex  |                    | 170     |
| Pourpoint       | °C                 | -30     |
| Flash point     | °C                 | 235     |
