

CLASSIC CARE LINE NANOGLANZ SHAMPOO

Shampoo for thorough cleaning and preservation of paintwork on vehicles

Description/Area of application

CLASSIC CARE LINE NANOGLANZ SHAMPOO is a high-tech shampoo to thorough gloss cleaning and long-term protection of vehicle paintwork. It is applied in just one step and leaves a long-lasting dirt and water-repellent nano layer.

Application

Add about 50 ml of shampoo (5 capfuls) **CLASSIC CARE LINE NANOGLANZ SHAMPOO** to 10 l of warm water and clean the vehicle with a wash pad. Then rinse off with a soft water jet and wipe any remaining water off with a microfibre cloth.

By using **CLASSIC CARE LINE NANOGLANZ SHAMPOO** drying is simplified and the shine result is optimized even further.

Properties

- long-lasting dirt and water-repellent nano layer in just one step
- pleasant smell
- optimized shine result
