

## CLASSIC CARE LINE OBERFLÄCHENREINIGER

Universally applicable surface cleaner for smooth surfaces in vehicles

### Description/Area of application

**CLASSIC CARE LINE OBERFLÄCHENREINIGER** is the optimal cleaner for all smooth surfaces, stainless steel, leather, textiles, as well as non-polar materials such as plastics (Navi display / TFT etc.). It easily removes finger-marks, dust, grease and other forms of dirt.

**CLASSIC CARE LINE OBERFLÄCHENREINIGER** is also ideal for cleaning of ventilation slots in cars, as the formula does not leave water marks or chemicals residues behind.

### Application

**CLASSIC CARE LINE OBERFLÄCHENREINIGER** spray undiluted onto stained area, let it absorb for a short while and wipe it with a microfibre cloth.

Test for compatibility in hidden areas before use.

### Properties

- acid-free
- pleasant smell
- residue and streak-free cleaning results
