

CLASSIC GALAR AT 8HP

Automatic transmission oil HC synthesis basic for ZF 6, 8 and 9-speed automatic transmission

Description

CLASSIC GALAR AT 8HP is an automatic transmission oil of the premium class based on HC synthesis. This synthetic automatic transmission oil (ATF) has been specially developed for ZF 6, 8 and 9-speed automatic transmissions developed. Its special formulation ensures trouble-free operation and easy operation Switching.

Application

CLASSIC GALAR AT 8HP is primarily intended for ZF automatic transmissions, which are used in vehicles of BMW, Jaguar and Land Rover. It is also suitable for models from other manufacturers, which recommend an oil of this type (eg Jeep, Chrysler, Fiat).

Properties

- excellent wear protection, thereby significantly extended transmission life
- excellent temperature and oxidation stability
- quiet shifts, no vibrations
