

## CLASSIC GALAR LV 75W-90 GL 4 MB

Commercial vehicle gear oil fully synthetic SAE 75W-90, specially for gears with service interval extension

### Description

**CLASSIC GALAR LV 75W-90 GL 4 MB** is a fully synthetic manual transmission gear oil based on polyalphaolefins. Thanks to additives produced according to the latest technology, the oil offers high thermal stability, reliable protection against deposits even under high loads and excellent viscosity-temperature behaviour. As the transmission oil temperature under heavy-load operation is lowered, the oil change intervals can be prolonged. **CLASSIC GALAR LV 75W-90 GL 4 MB** guarantees easy gear shifting even at low temperatures and excellent synchronisation properties.

### Application

**CLASSIC GALAR LV 75W-90 GL 4 MB** is a high-performance low-friction manual transmission gear oil for gearboxes in passenger cars and heavy duty vehicles operated under heavy-duty conditions. It can be mixed with all branded transmission oils.

### Product data

Properties	Unit	75W-90*
Density 15 °C	g/cm <sup>3</sup>	0.849
Viscosity 40 °C	mm <sup>2</sup> /s	96.5
Viscosity 100 °C	mm <sup>2</sup> /s	14.5
Viscosity index		158
Pourpoint	°C	-51

\* are average values and may vary in the framework of the standard.

### Quality level

API GL 4

### Performance
