

## CLASSIC MEDUNA PT 0W-30 C2/C3 FE

Low SAPS Premium high-performance motor oil for passenger cars with diesel particle filters and petrol engines

### Description

**CLASSIC MEDUNA PT 0W-30 C2/C3 FE** is a synthetic high-performance engine oil for passenger cars with petrol and diesel engines with particle filters. Minimisation of wear and fuel consumption as well as excellent cold-start properties. Extended oil change intervals according to manufacturer's instructions, optimum engine and piston cleanliness. **CLASSIC MEDUNA PT 0W-30 C2/C3 FE** extends the service life of the diesel particulate filter by reducing the concentration of ash-forming particles in the exhaust gas. Reduces the release of harmful emissions into the environment. Provides greater safety through sustained high engine protection. Due to its formulation with special base oils, it achieves a high viscosity index.

### Application

**CLASSIC MEDUNA PT 0W-30 C2/C3 FE** is ideally suited for energy-saving year-round use in modern petrol and diesel engines. **CLASSIC MEDUNA PT 0W-30 C2/C3 FE** can be used in passenger cars with diesel particulate filters, as well as vehicles equipped with petrol engines. It protects the diesel particulate filter from deposits caused by ash and also provides excellent protection for exhaust gas catalytic converters. The operating instructions of the vehicle and engine manufacturers must be observed.

### Properties

- very good wear protection
- improved corrosion protection
- protection against sludge formation
- promotes fuel economy
- good low temperature properties

### Product data

Properties	Unit	0W-30 C2/C3 FE*
Density 15 °C	g/cm <sup>3</sup>	0.836
Viscosity 40 °C	mm <sup>2</sup> /s	58,5
Viscosity 100 °C	mm <sup>2</sup> /s	11,9
Viscosity index		202
Pourpoint	°C	-51
Flashpoint	°C	225

\* are average values and may vary in the framework of the standard.

### Quality level

ACEA C2/C3  
API SN
